Mr. Warren F. Nardelle, Sr.
Librarian,
Times-Picayune Pub. Corp.
New Orleans, La.

Dear Mr. Nardelle,

You may recall that Mr. Neely introduced us and asked you to help me when it is possible. I am the author of a number of books on the Kennedy assassination.

According to Warren Commission materials, the States and the Item carried a picture and stories on Cuban anti-Castro activities in issues dated November 22, 1962, including the picture of Orestes Pena in the group. In one paper I believe it was on the front page.

I would like copies of this if it is not too much trouble for you. If you cannot provide the picture, I would like the caption. And, of course, the story or stories if they are not identical.

Thank you very much.

Sincerely,

Harold Weisberg
